## PRESIDENT'S PAGE

We have a lot of items to discuss during the September meeting. I hope all of you will be in attendance.

### Learn & Turn

A great time was had by all at Jim Degen's place on June 12th. Want to host a *Learn & Turn*? Please see Joe Maiorano our new Learn & Turn Coordinator and schedule a session.

### AAW Symposium

As anyone that attended the symposium can tell you, it was great! I want to thank everyone that helped me along the way. A **Special Thanks** goes out to Don Metz for providing the wood for our international demonstrators, and Jim Degen and Jay Hockenberry for performing their demo during registration.

### Return to the Community

#### AAW Symposium

Again I want to thank everyone that provided me with items for sale. We were able to raise \$1,284, more than double all past symposiums.

### On a sad note

Charlie Boucher passed away on August 5<sup>th</sup>.

### September Challenge

Candlesticks - have you done your summer homework?

### Turning 25 – A Celebration

The 2011 AAW Symposium will be held in St. Paul, MN, June 24<sup>th</sup> through 26<sup>th</sup>, at the [St. Paul River Centre](#). One of the many 2011 symposium special events will be an exhibition of AAW chapter woodturnings. The goal is to have every AAW chapter represented. We need to set up a committee to start on this project.

### Demo

This month's demo will be *Photographing Your Work* by Joe Larese.

Please bring in something for the raffle and don't forget about the *Show & Tell*

*Keep a sharp edge!*

*Buster*
